Hawkzon

What is Hawkzon?

This is a website created for students at Hillcrest High School. It allows users to purchase various school supplies and school products such as stationery, sports equipment, school uniforms, etc.

How to purchase?

This website allows the user to explore freely. The user will be able to find items in different sections and store those items in their shopping cart. For example, the user can find pencils in the stationery category. When the user completes browsing and exploration, the user will be able to purchase the items in the shopping cart in one go and receive a receipt containing all the information.

What do we have?

Our home page is divided into two major interfaces: home page and help page, which are product page and helping information page. The home page shows the item categories. Click on the category to find specific products. Click on a specific product to customize the item, add it to the shopping cart, and other operations.
